USMX STATEMENT REGARDING USMX-ILA BARGAINING

LYNDHURST, NJ (JUNE 11, 2024) – The United States Maritime Alliance, Ltd. (USMX) and the International Longshoremen’s Association (ILA) met for Local Contract negotiations over the last two weeks. As is typical in our discussions, some issues will require further conversation between the local parties.

USMX looks forward to re-engaging with the ILA’s bargaining committee to jointly move local and Master Contract negotiations forward for the betterment of the USMX membership and the ILA rank-and-file.
