

Recently, the ILA~USMX Joint Safety Committee (JSC) has published several OSH Alerts that supply information in relation to our industry's experience with the Novel Coronavirus.

Those JSC OSH Alerts contain online hyperlinks to the U.S. Centers for Disease Control & Prevention and World Health Organizations' dedicated Novel Coronavirus webpages. Those webpages are updated daily, and provide an excellent source of information and guidance. We encourage our labor and management constituents to review them often.

Today, we have been asked to provide general guidance for our industry constituents in the form of bullet points which set out our principal precautionary recommendations in relation to the Novel Coronavirus pandemic.

We hope that you find them informative, and convenient to reproduce and distribute.

**ILA-USMX JOINT SAFETY COMMITTEE**

# **The Novel Coronavirus:**

## **What to Do; What Not to Do**

- 1). Wash hands frequently and completely;**
- 2). No handshaking (Use your elbows);**
- 3). Keep your hands away from your face;**
- 4). Practice social distancing (Keep six feet between you and the next guy/gal);**
- 5). Stay well clear of all others who appear to be ill (sneezing/coughing);**
- 6). Keep hiring, meeting and close quarters equipment locations/spaces clean and regularly disinfected;**
- 7). On the job: Wear the required personal protective equipment; *and***
- 8). Monitor and follow National, State & Local government directions designed to inhibit community spread**

**Working Together For The Benefit Of All**

ILA-USMX OSH Circulars are devised to reflect the best possible information and guidance, and are products of diligent research and the most up to date subject matter knowledge. Consequently, while the information contained herein is believed to be accurate, owing to a host of factors ILA-USMX can convey no direct or implied warranty relative to the reliance of parties upon content.
